MC Lab - 2019

DESCRIPTION

Elegance and uniqueness of shape make Favignana an icon of style and a distinctive object of the night area. A top-notch mirror with an original square marble base, a metal leg and a mirror body with a particularly slim and slender shape - ideal for adapting to different projects where what is missing is only the last finishing touch. A clear and precise profile - almost laser-cut - which perfectly suits the delicacy of marble and the beauty of the island that recalls in the name.

DESCRIZIONE

Eleganza e singolarità della forma rendono Favignana un'icona di stile e un oggetto distintivo della zona notte. Uno specchio di grande classe, con un'originale base quadrata in marmo, una gamba in metallo e un corpo specchio dalla forma particolarmente snella e slanciata - ideale per adattarsi a differenti progetti in cui quel che manca è solo l'ultimo finishing touch. Una sagomatura netta e precisa - quasi al taglio laser - ben si sposa con la delicatezza del marmo e la bellezza dell'isola che richiama nel nome.
