

SOLFERINO

Maurizio Di Mauro - 2016

DESCRIPTION

Its lines are original and of a vaguely retro style: Solferino is designed to adapt to ambiances having a brilliant soul, to bring color and a touch of fantasy. It is a practical and space-saving bedside table with two drawers characterized by a particular solid wooden foot, which slightly protrudes from the structure. Almost infinite combinations can be obtained by varying the three customizable elements: legs, external structure and front of the drawers. Solferino 7 takes inspiration from its twin chest of drawers and to the style of the 50s.

DESCRIZIONE

Le sue linee sono originali e di uno stile vagamente retrò: Solferino è pensato per adattarsi ad ambienti dall'anima estrosa, per portare colore e un tocco di fantasia. E' un pratico e poco ingombrante comodino a due cassetti caratterizzato da un particolare piedino in legno massello, leggermente sporgente rispetto alla struttura. Pressoché infinite le combinazioni ottenibili variando i tre elementi personalizzabili: le gambe, la struttura esterna ed il frontale dei cassetti. Solferino 7 è il settimanale che prende ispirazione dal comodino gemello - sbarazzino e altrettanto volto allo stile degli anni '50.
